[coat of arms of the Republic of Croatia]

REPUBLIC OF CROATIA

COUNTY COURT IN ZAGREB

Trg Nikole Šubića Zrinskog 5

Case number: 7 Kir – 104/2021

REPUBLIC OF CROATIA  
DECISION

The County Court in Zagreb, per investigating judge, dr. sc. Oliver Mittermayer, with the participation of record keeper Dijana Žabčić, in the criminal case against foreign national Sun Bocheng, for the crime in Article 294 et al. of the Criminal Act of the National Republic of China, in the court proceedings regarding extradition, on the day December 29, 2021,

decided

I/ According to Article 48, Paragraph 1, as per Article 55 of the International Legal Aid in Criminal Matters Act (Official Gazette 178/2004 – hereinafter ZOMPO) the following:

incarceration for the purpose of extradition is annihilated

against foreign national Bocheng Sun (Jiming), born on January 19, 1973 in Nanchang, China, with residence in Nanchang, Nanchang bb, China, with Chinese passport number EB02876048, valid until November 8, 2027, arrested on January 18, 2021 at 13:00 hours.

II/ Foreign national Bocheng Sun (Jiming) is to be released from custody immediately.

Explanation

1. Police officials of the Krapinsko-Zagorska Police Station, Office of border police Macelj, arrested and brought foreign national Bocheng Sun in front of County Court investigating judge in Zagreb. Foreign national Haigen Huang was arrested based on an international arrest warrant issued by Interpol China for the perpetrating of criminal act "Criminal organization / union / group" from Article 294 et.al. of the Criminal Act of the National Republic of China which carries a minimal sentence of 20 (twenty) years, without a statute of limitations.

2. The arrest warrant was issued by the Office of Public Safety, Yongxiu China, number YG(X)BZ (2020)305041 on July 10, 2020.

3. After having been told of the reason for his requested extradition, he stated that he understood for which criminal act the extradition was being requested, but he used his legal right to defend himself with silence.

4. After having been informed of the conditions of this extradition and arrest, the process of simplified extradition, and his rights from Article 54, paragraph 1 and Article 40, paragraph 2 of the International Legal Aid in Criminal Matters Act, he stated that he understands what he is charged with and why he is arrested, and that in accordance with Article 52 of the International Legal Aid in Criminal Matters Act he doesn't agree to his extradition to China.

5. He was cautioned of the consequences of his stated disagreement, as per Article 40, paragraph 2 of the ZOMPO, and that he hasn't relinquished his right to special conditions, i.e., he has agreed to the requesting country to prosecute him for the criminal act for which extradition has been requested.

6. The defending attorney of the suspect, Mr. Nenad Marković, stated that his client owns and runs a company in Slovenia, of which he is the CEO, but is not formally employed by the company. Additionally, he resides in Slovenia, within the territory of the EU, and that this is a case of a politically motivated legal proceeding without any evidence. He objects to extradition incarceration, and suggests bail in the amount of 500,000 EUR in stead.

7. Given that the suspect is a foreign national, without a permanent residence or residence on the territory of the Republic of Croatia, and flight risk was determined, and given that the criminal act with which the accused is charged is a criminal act according to the laws of the Republic of Croatia as well, and for which there was no statute of limitations, and given that in the case of releasing the accused could obstruct the extradition process, the sentence of extradition incarceration was passed, due to the fact that legal conditions for incarceration of Article 47, paragraph 1 of ZOMPO were met.

8. The investigating judge was of the opinion that, given conditions of the criminal act and the existence flight risk, no amount of bail could be acceptable, regardless of the suggested amount.

9. The decision was passed on January 19, 2021, and the extradition incarceration started on January 18, 2021.

10. The Out-of-court Council of the County Court of Zagreb, passed the decision number Kv-II-321/2021-9 on October 15, 2021, whereby, based on Article 55, paragraph 1 of ZOMPO, and the fact that legal conditions for the extradition of a foreign national to the National Republic of China have not been met. The decision became legally binding on December 7, 2021 under case number Kv II-321/2021-9 (Kir-104/21), and as such was filed with the Supreme Court of the Republic of Croatia, at the Investigative Judges Department on December 29, 2021.

11. Given the above, the reason for incarceration of foreign national Sun Bocheng (Jiming) no longer exists, and he is, therefore, to be immediately released.

Obrazloženje

1. Policijski službenici Policijske uprave krapinsko zagorske, Postaja granične policije Macelj, bili su priveli sucu istrage Županijskog судa u Zagrebu stranca Suna Bochenga, uhičenog temeljem raspisane međunarodne potrage od strane Interpola Kine radi počinjenja kaznenog djela "Kriminalna organizacije / udruženja / grupa" iz članka 294 i dr. Kaznenog zakona Narodne Republike Kine za koje je predviđena maksimalna kazna zatvora od 20 (dvadeset) godina, bez zastare.

2. Nalog za lišenje slobode je izdao Ured javne sigurnosti, Yongxiu Kina, broj YG(X)BZ (2020)305041 od 10. srpnja 2020. godine.

3. Nakon što mu je priopćeno zašto se traži njegovo izručenje, izjavio je da je razumio zbog kojeg kaznenog djela se traži izručenje, ali je uzeo svoje zakonsko pravo i branio se šutnjom.

4. Upoznat sa pretpostavkama za izručenje i uhičenje, postupkom za pojednostavljeno izručenje i pravima iz čl. 54 st. 1 i čl. 40 st. 2 Zakona o međunarodnoj pravnoj pomoći u kaznenim stvarima, izjavio je da razumije što mu se stavlja na teret i zašto je uhičen, te u smislu članka 52 Zakona o međunarodnoj pravnoj pomoći u kaznenim stvarima izjavio je da ne pristaje na izručenje u Kinu.

5. Upozoren je na posljedice navedenog odricanja u smislu članka 40 stavak 2 ZOMPO-a te se nije odrekao prava specijaliteta, odnosno pristao je samo da ga država moliteljica može progoniti za kazneno djelo za koje je izručenje zatraženo.

6. Branitelj osumnjičenika odvjetnik Nenad Marković je naveo da njegov klijent ima tvrtku u Sloveniji kojoj je direktor, ali nije zaposlen u tvrtki. 7. Budući stranac na području Republike Hrvatske nije imao prebivalište ni boravište i postojala je opasnost od njegovog bijega te je djelo koje se uhičeniku stavlja na teret kazneno djelo i po zakonu RH, a zastara nije nastupila, uhičenik je mogao u slučaju puštanja na slobodu ometati postupak izručenja, pa mu je bio određen ekstradiciski pritvor, jer su bili ispunjeni zakonski uvjeti iz članka 47 stavak 1 Zakona o međunarodnoj pravnoj pomoći za određivanje pritvora.

8. Sudac istrage je smatrao, a obzirom na okolnosti kaznenog djela, te da postoji opasnost od bijega, da se ne može priхватiti jamčevina, bez obzira na predloženu visinu iznosa.

9. Rješenje je donijeto 19. siječnja 2021. godine, a ekstradiciski pritvor mu je tekao od 18. siječnja 2021. godina pa nadalje.
